OFFERING

April 20, 2008

\$7,431.30

Thank you for your generosity!

Thought For The Day: "What matters most is that you develop your personal relationship with God. That relationship is expressed in prayer. God by his very nature speaks, hears, and replies. Indeed, Saint Paul reminds us: we can and should "pray constantly". Far from turning in on ourselves or withdrawing from the ups and downs of life, by praying we turn towards God and through him to each other, including the marginalized and those following ways other than God's path. As the saints teach us so vividly, prayer becomes hope in action. Christ was their constant companion, with whom they conversed at every step of their journey for others."

- Pope Benedict XVI - April 19, 2008 - New York Addressing Seminarians and Young People

Rest In Peace: Please pray for the repose of the souls of Lillian Schulte and Arthur Roeck who passed away recently.
