Vocation View: God has chosen to dwell with us. Share
your gifts with others to reveal His presence.
(Revelations 21: 1-5)

Thought for the Day: We do not have to talk very much
in order to pray well. We know that God is there in His
holy tabernacle; let us open our hearts to Him; let us
rejoice in His Presence: This is the best prayer.

Rest in Peace: Please pray for the repose of the soul of

FINANCE COMMITTEE APPEAL TO THE PARISH

Over the last few weeks the Financial Committee of St. Lawrence Parish has tried to present to you the problems we are facing. In summary, Offertory collections continually remain about the same. Bingo receipts have dropped dramatically, and school enrollment did not meet expectations this year. This has resulted in financial losses of over \$100,000 per year in the last 4 years, eroding the Parish's savings account.

As we examine the budget for the current year (July 2009-June 2010), we forecast another loss of \$165,000! Plus the budget for next year does not look any better unless we take drastic action!

What can we do? Cut expenses and raise income. We are examining ways to cut expenses. Further reductions in staff may become necessary.

There are several ways you can help stem the tide and assist us in restoring the Parish to financial stability. The Finance Committee feels that, ultimately, it comes down to the collection basket. We have asked that a special "Education Fund" envelope be inserted in your monthly envelope packets. Along with envelopes in back of church, we will also take up a second collection for the Education Fund each week for the rest of the fiscal year ending June 30. At that point, we will see where we stand. And, if necessary, we will have to continue the second collection. If everyone could make a special Education Fund gift of \$10 per month for the future of St. Lawrence School, we could put a huge dent in the current deficit! (This is roughly only \$2.50 increase per week and is less than a cost of a gallon of gas, a pack of cigarettes or a six-pack of beer).

If you are a registered parishioner, you have received your Major Award chances for our summer festival. Each parishioner is asked to sell \$50.00 worth of tickets for the Major Award Raffle. There are approximately 600 families registered at St. Lawrence, and if we all sell our tickets, this would generate approximately \$30,000.

We have previously stated that our bingo is the largest contributor to the education of our children. We currently have a dedicated staff who works tirelessly but they need your help. They are in need of people to assist at the bingos on Sunday afternoons and Tuesday evenings. If you have a little time and would like to help, please call the rectory and give your name and telephone number so that someone can get back with you. Over the past few years, our bingos have dropped from roughly \$320,000 to its present level of \$170,000. If we could get our revenues back to near the previous level, we would be in a much better financial position.

We know that these are difficult economic times and everyone has cut back, but if we are not able to "stem the tide" we will be forced to make difficult choices leading to more cut backs. St. Lawrence Church has been the "BEACON ON THE HILL" for over a century and has educated thousands of wonderful children. Therefore, we are requesting that you assist us and in this way ensure that the "Beacon on the Hill" does not get extinguished. May God continue to bless all of you.

Finance Council: Jerry Volker, Bob Kessler, Jay Brannon, Arlene Reddington and Fr. Watkins

So far, we have a total of \$9022.33. The amount collected each week for this Fund will be recorded underneath the weekly Sunday collection along with a running total of this appeal.
